**IMPORTANT INFORMATION ON UNIVERSITY PROCEDURES AND PROCESSES**

**1. Deferment of Admission**

A student who for any reason is unable to take up the offer of admission will be required to inform the Academic Registrar by either filling in **Form JI/1B** of the Joining Instructions or writing directly to the Academic registrar. This information should reach the Academic Registrar at least one week prior to the date of registration. The student will be required to apply to defer admission on an annual basis but after the second year the offer of admission will lapse and the student will be required to re-apply afresh for admission. It is important that a student who defers admission ensures that he or she receives an official letter of deferment of admission from the Academic Registrar. A student who fails to inform the Academic Registrar of his/her deferment of admission will be deemed to have forfeited his/her position and will be deregistered.

**2. Student Identity Cards**

After the registration formalities and payment of the identity card charges, every student is issued with a student identity card bearing his/her picture and name, registration number and the course and School registered in. Students will be photographed for student identification cards at the registration centers. They will thereafter log in to the student portal as detailed in **JI/17** for submission of requests for the card. The identity card allows easy identification of students and gives the student access to various University College services (e.g. the library, the student clinic, the halls of residence etc). Every student must ensure that they have their student identity card at all times and that the card has the correct information and is valid at all times for the duration the student is in the university.

**3. Loss of Identity Card**

A student who loses his/her university identity card will be required to report the loss to a police station and acquire an abstract. They will also be required to report the loss to their School's offices from where they get a letter confirming the loss and their student status. After getting these two documents the student should report to the School library for a clearance note to indicate that the card is not held in the library.

After that the student reports to the Admissions Office (Mosoriot Campus) for a re-issue of the student card upon payment of the relevant fees.

**4. Temporary Withdrawal**

If for any reason a student who is already registered for a particular course has to leave the course for a particular period, the student will be required to apply to the University College Principal for temporary withdrawal. All applications for temporary withdrawal must be endorsed by the Director of the respective School and must state the reasons for and the duration of such withdrawal. Any student who withdraws from a course without seeking appropriate authority will be deemed to have absconded from the course and will therefore be de-registered from the course.

**5. Inter-School Transfers**

Inter-School transfers are processed within the first three weeks of the first semester.

Students should note that transfers can only be offered if there is a vacant position and if

the student meet the requisite admission criteria for the particular course. Students should also note that merit is used as criteria for transfer and that all applicants to a particular course will be ranked in order of merit.

A student wishing to transfer will be required to submit his/her request for inter School transfer online through the student portal upon payment of the fee of Kshs.1000/= at the student finance. Students who will have succeeded in their application for transfer will receive an official letter of transfer from the academic registrar and will be expected to report and register in their new courses by the fourth week of the semester at the latest.

It is important for students to note that all inter-School transfers are subject to approval by the deans committee and that once the transfers have been approved the exercise is closed and no late applications or appeals will be considered.

#### **6. Absence Due to Illness**

It gives important details on the student as well as recording the progress of the student from semester to semester (and yearly). It is important for every student to ensure that he/she signs the nominal roll in the Directors office of their respective School at the beginning of each semester and to ensure that the information given in the nominal roll is correct and up to date.

#### **8. Course/Subject Registration**

Every student is required to register for the courses/subjects he will undertake by filling in the relevant form at the Directors office at the beginning of every semester (first three weeks). The student must ensure that the registration is complete by having the form approved and signed by the chairman of department where the courses are to be offered and the deans of the respective School. When registering for the courses the student will do well to ensure that the correct courses and the course codes are used and that the form is returned to the Director's Office promptly.
